A LITTLE CARE GOES A LONG WAY BE INVOLVED—MAKE LIFE BETTER FOR A CHILD

Twice a year—March and September—a delegation of Children of Vietnam (COV) travelers goes to Vietnam. As part of this delegation and our honored visitor, you will visit many of the children we serve receiving much needed care in the hospital, attending vocational training, coming to their new school for the first time, receiving bicycles, living in new homes with their families or at orphanages we support. You will be able to see first hand how just a little care and support given to these children blossoms into a new and better future.

The trip is designed to provide you with a meaningful experience that will educate you on the needs of children in Vietnam and to motivate you to participate Children of Vietnam's goal of helping disadvantaged children. COV invites you to be a part of our delegation. If you are interested, please complete the application below, sign, and send to COV.

Below are two ways you can help these deserving children:

- ? A monetary donation is the easiest way. We would be happy to designate your gift to a specific project.
- ? A contribution of your time by joining us on a trip, helping with trip preparations, and/or seeking donations of funds, equipment, and supplies. Contact us for a list of our most pressing needs.
